Controlled Fuel

OLD STATEMENT:

IAME Series UAE 2024/2025 - Technical Regulations

5.5.11 Fuel

Top four drivers after Qualifying, Heat and Pre-Final will be using controlled fuel in the respective next race (Heat, Pre-Final and Final)

It is drivers' responsibility to collect their fuel from the Scrutineering Bay. Drivers who fail to report to scrutineering bay to collect their fuel will not be allowed to take the start of the race.

NEW STATEMENT:

5.5.11 Fuel

Top four drivers after Qualifying, Heat and Pre-Final will be using controlled fuel in the respective next race (Heat, Pre-Final and Final)

It is drivers' responsibility to collect their fuel from the Scrutineering Bay. Drivers who fail to report to scrutineering bay to collect their fuel will not be allowed to take the start of the race.

All karts running on controlled fuel can only leave Parc Ferme when instructed by the Scrutineers and must go directly to the dummy grid.
